

Errata for
APPLIQUE DELIGHTS

#10341

1st printing only

Due to a printing error, the blocks in this book are 4 1/4" x 4 1/4", not 5" x 5" as listed.

To use the 4 1/4" x 4 1/4" blocks as instructed in the text, enlarge them 118% to create 5" x 5" blocks and proceed with the printed instructions.

Once you enlarge your desired blocks to 5" x 5", the additional enlargement instructions on page 5 and project yardage calculations and instructions are correct. Some projects use blocks larger than 5" x 5"; follow the project's enlargement instructions with the 5" x 5" blocks.
