Page 76, Circling Geese:

Under Circling Geese header, paragraph should read:

Make eight copies of the patterns on page 78 for the 20" star, or twelve copies from page 79 for the 30" star, and piece following the sequence shown. Cut the appropriate number of geese and background triangles (40 for the 20" star and 60 for the 30" star).

Sew the segments together and then piece the star to the ring of geese.

Include with caption on drawing (bottom right):

20" diameter Twilight Star with circling geese

Include with caption on photo:

Example of circling geese on 30" diameter star.
