Pattern Pullout - Caryl Bryer Fallert's Square Dance Pattern:

The pattern itself is correctly drawn, but 3 numbers are incorrect. There are 3 "6c" in the pattern and there should be just one. The 6c piece going across the top is correctly labeled. The 6c piece at the right edge should be labeled 5a. The curved 6c piece that is next to piece 1 should be called 2. The 6c piece at the lower left corner should be called 4a.

Be aware that the pattern in the PDF is a reduced size so it should be used only as a guide for number placement and not printed out as the pattern itself. Use it to correct the numbers on the pattern in the pullout.

PDF is attached.
