

Errata for **Rainbow Quilts for Scrap Lovers** **#11217**

The Windows in My Baby's Room

Page 23, Steps 4, 5, and 6

The folded HST unit is supposed to be smaller than the background square. The top and right points of the folded HST unit should be about 3/8" inside the background square corners.

Pages 23 and 24, Steps 9 and 10

The folded HST units are smaller than the background squares.
