

# Errata for **Sew Cuddly** **#11312**

---

## **Colorful Floor Pillow**

### **Page 57, Materials**

The wide-back cotton or flannel is for the pillow interior.

### **Cutting, Additional Color Minky Cuddle**

Cut 1 pillow back using the assembled pillow front as the pattern.

### **Cutting, Cotton or flannel**

Cut 2 pillow interior pieces using the assembled pillow front as the pattern.

### **Pages 57, 58, and 59**

The illustrations have been corrected, see next pages for correct illos.

---

## materials

### Minky cuddle:

- **6 assorted colors:** 5/8 yard of each color
- **1 additional color:** 1 1/2 yards for backing

**Wide-back cotton or flannel:** 108" wide, 1 1/2 yards for pillow interior

**Sticky stabilizer:** Such as Wash-Away Stitch Stabilizer (by C&T Publishing) or Sulky Sticky Fabri-Solvly Stabilizer

**Polyester stuffing:** 5 bags (24 ounces each)

**Zipper:** Nylon, 45" long

**Thread to match**

## cutting

- Download and print the Colorful Floor Pillow patterns. (For downloading instructions, see Some Essentials for This Book, page 8.)
- Make templates from the patterns. Transfer all markings to the templates.

### ASSORTED COLORS MINKY CUDDLE

- Cut 6 of Piece B (3 and 3 reversed).

### ADDITIONAL COLOR MINKY CUDDLE

- Cut 1 pillow back using the assembled pillow front as the pattern.

### COTTON OR FLANNEL

- Cut 2 pillow interior pieces using the assembled pillow front as the pattern.

## assemble the front

All seam allowances are 3/8" unless otherwise noted.

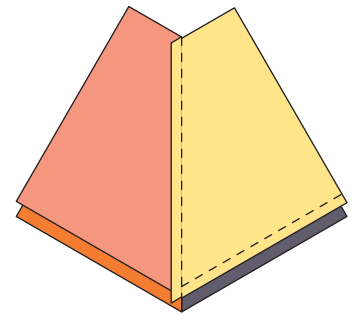

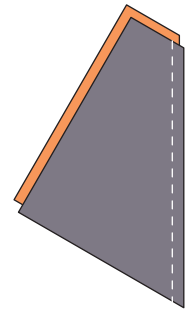

**1.** Cut 1/2" strips of sticky stabilizer and stick them to the edges that will be sewn. You can also stay stitch the edge or use your preferred stabilization method. Refer to How to Keep Fabric from Stretching (page 5).

**2.** Transfer all markings from the templates onto the fabric.

**3.** With right sides together, join 1 Piece B and 1 Piece B-reversed and pin securely. Stitch them together, stopping at the mark.

**4.** Repeat Step 3 twice more with the other Pieces B and B-reversed.

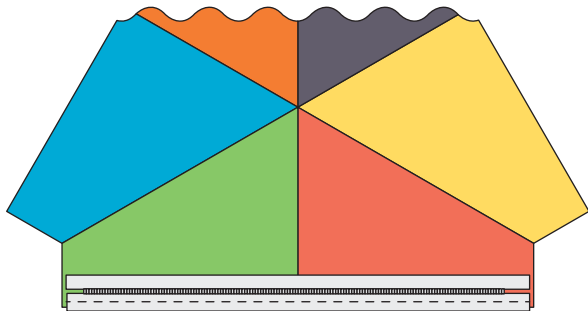

**5.** Join all pieces along the short angled edges, stopping at the marks. The last seam will be a slight set-in seam.

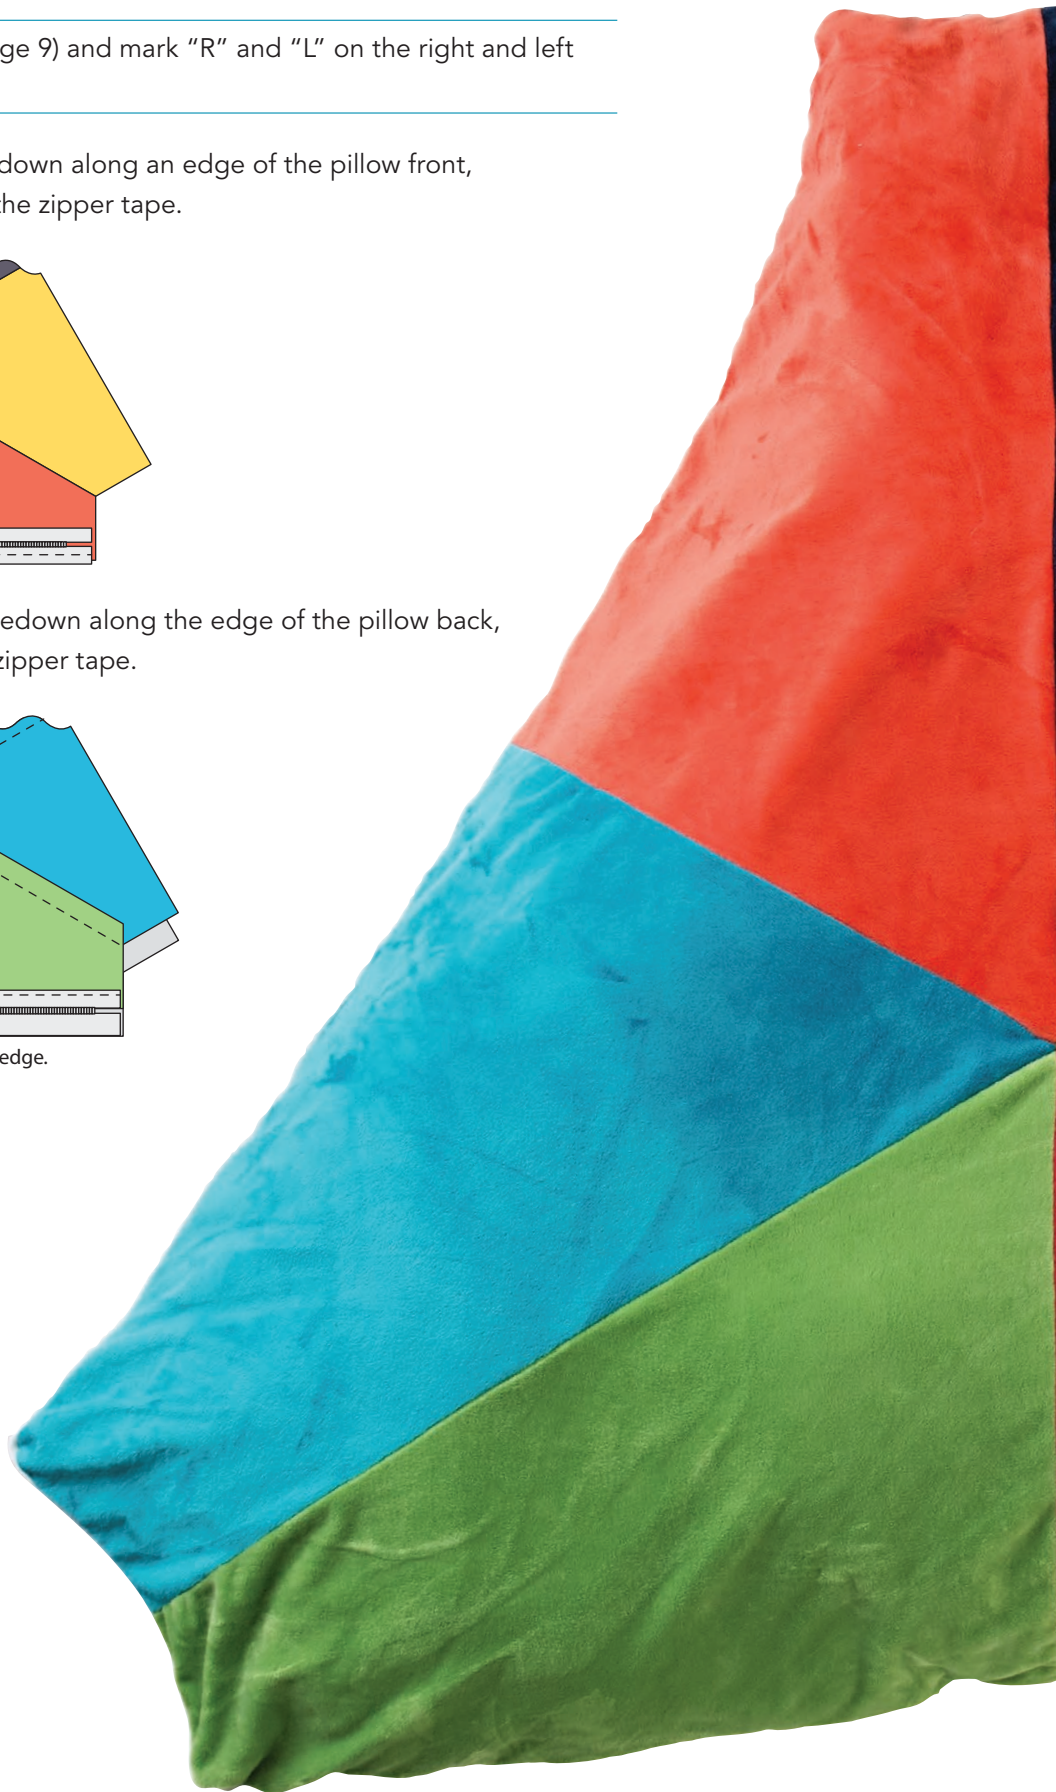

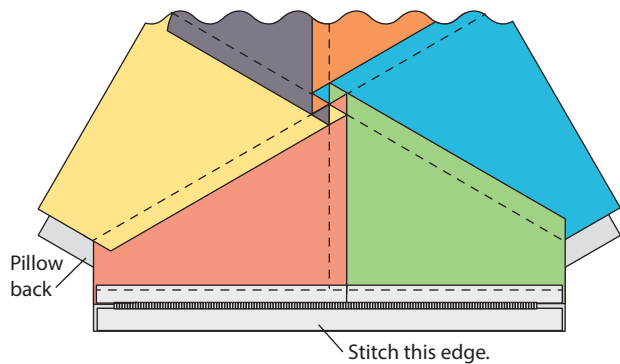

## sew the zipper

**NOTE:** Refer to Zipper Anatomy (page 9) and mark "R" and "L" on the right and left halves of the zipper tape.

1. Lay the left half of the zipper facedown along an edge of the pillow front, keeping the edges together. Stitch the zipper tape.

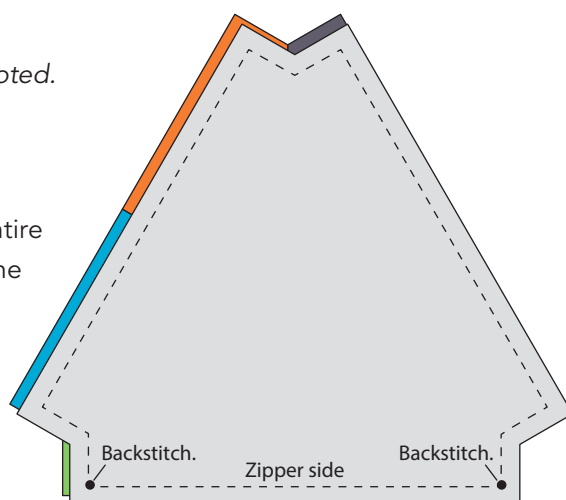

2. Lay the right half of the zipper facedown along the edge of the pillow back, keeping the edges even. Stitch the zipper tape.

## *sew the front to the back*

All seam allowances are  $\frac{3}{8}$ " unless otherwise noted.

1. Open the zipper about 5".
2. Lay the pillow front right sides together with the pillow back. Stitch around the entire perimeter of the pillow, catching both the front and the back, but make sure not to stitch on the side with the zipper. Backstitch as you reach the side with the zipper.
3. Turn right sides out.

## *sew the interior*

1. Pin the pillow interior pieces right sides together. Stitch around all sides. Leave a 5" opening for turning right sides out and for stuffing.
2. Stuff the pillow interior with polyester fiberfill until the pillow is stuffed to your liking. Shape the pillow.
3. Stitch the open end closed using a small blind stitch.
4. Unzip the pillow and place the pillow interior inside. Zip closed.
