

Errata for **Barn Star Sampler**

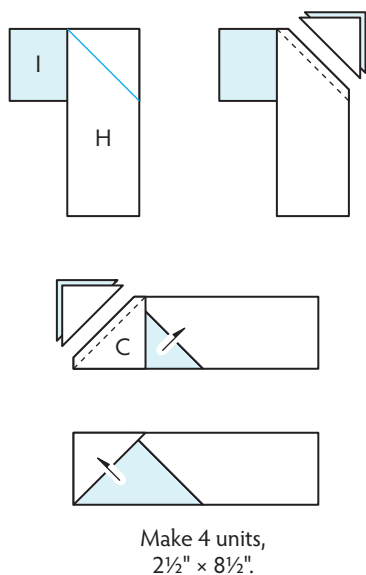

#11581

All Versions

Block 1, Diamond Star, pages 14 and 15

The instructions for making the center unit have been updated and include a new illustration for clarity. See the corrected pages below.

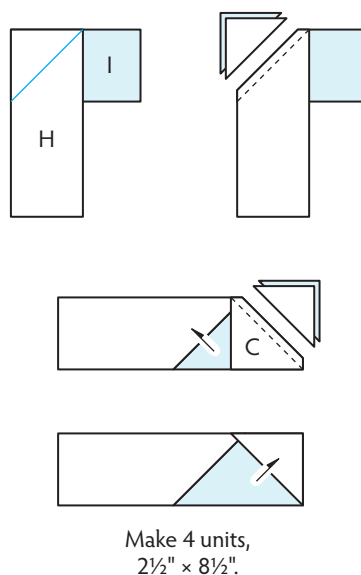

- 2.** Sew an H piece to the right end of an I piece as shown. Sew a C square to the left end of the I piece. Make four units measuring $2\frac{1}{2}" \times 8\frac{1}{2}"$.

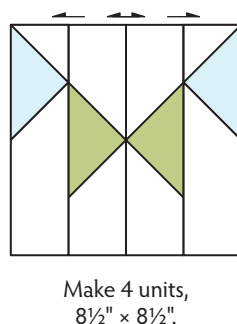

KEEP IT TOGETHER

If you plan to press seam allowances open, it's a good idea to backstitch at the beginning and end of a seam. Backstitching will add a bit of stability and ensure that your seams don't unravel as you're assembling the blocks.

- 3.** Sew an H piece to the left end of an I piece and then sew a C square to the right end of the I piece. Make four units measuring $2\frac{1}{2}" \times 8\frac{1}{2}"$. Note that the units should be mirror images of the units from step 2.

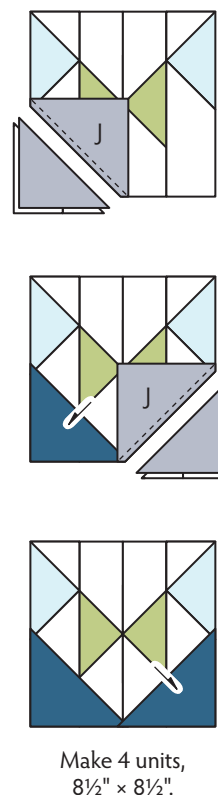

- 4.** Join two units from step 1 and one unit each from steps 2 and 3. Make four units measuring $8\frac{1}{2}"$ square.

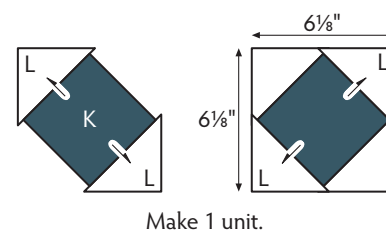

- 5.** Sew a J square to the lower-left corner of a unit from step 4. Sew a J square to the

lower-right corner. Make four side units measuring $8\frac{1}{2}"$ square.

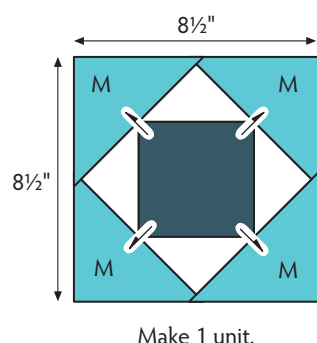

Making the Center Unit

- 1.** Sew two L triangles to opposite sides of the K square and press. Repeat to add L triangles to the remaining sides. Trim the unit to $6\frac{1}{8}"$ square, making sure to leave $\frac{1}{4}"$ beyond all the points of the K square for seam allowances.

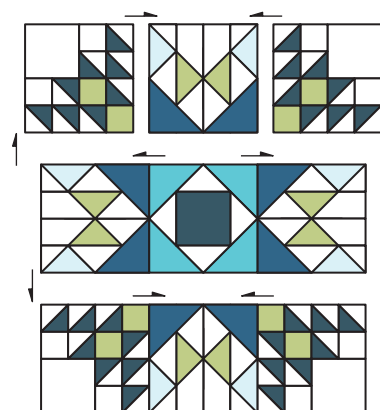

2. Sew two M triangles to opposite sides of the unit from step 1 and press. Repeat to add M triangles to the remaining sides. Trim the unit to $8\frac{1}{2}$ " square, making sure to leave $\frac{1}{4}$ " beyond all the points of the L square for seam allowances.

Assembling Block 1

Arrange four corner units, four side units, and one center unit in three rows. Sew the units into rows and then join the rows. Make one block measuring $24\frac{1}{2}$ " square.

Make 1 block,
 $24\frac{1}{2}$ " $\times$ $24\frac{1}{2}$ ".

BLOCK 2 CHRISTMAS STAR

FINISHED BLOCK: $24"$ $\times$ $24"$

Materials

Materials are for making 2 identical blocks needed for the Barn Star Sampler.

-  $\frac{7}{8}$ yard of white print #2 for background (fabric 26)
-  $\frac{3}{8}$ yard of raspberry floral for corner units (fabric 5)
-  $\frac{3}{8}$ yard of gold floral for corner units (fabric 11)
-  1 fat quarter of raspberry print for side units and center square (fabric 6)
-  $\frac{1}{2}$ yard of white-and-raspberry floral for side units (fabric 2)
-  $\frac{1}{2}$ yard of light gold floral for side units (fabric 10)

Cutting for 1 Block

The instructions yield pieces needed to make 1 block. Check the instructions for the project you're making to see how many blocks are needed. Label your pieces as you cut. The assembly diagrams refer to each piece by the letter that follows the dimensions.

From white print #2, cut:

2 $\square$ $4"$ $\times$ $4"$ (A)

12 $\square$ $3\frac{1}{2}"$ $\times$ $6\frac{1}{2}"$ (F)

8 $\square$ $3\frac{1}{2}"$ $\times$ $3\frac{1}{2}"$ (C)

From the raspberry floral, cut:

2 $\square$ $4"$ $\times$ $4"$ (B)

4 $\square$ $3\frac{1}{2}"$ $\times$ $6\frac{1}{2}"$ (D)

From the gold floral, cut:

4 $\square$ $3\frac{1}{2}"$ $\times$ $3\frac{1}{2}"$ (E)

4 $\square$ $3\frac{1}{2}"$ $\times$ $6\frac{1}{2}"$ (G)

From the raspberry print, cut:

8 $\square$ $3\frac{1}{2}"$ $\times$ $3\frac{1}{2}"$ (H)

1 $\square$ $6\frac{1}{2}"$ $\times$ $6\frac{1}{2}"$ (M)

From the white-and-raspberry floral, cut:

4 $\square$ $3\frac{1}{2}"$ $\times$ $6\frac{1}{2}"$ (I)

8 $\square$ $3\frac{1}{2}"$ $\times$ $3\frac{1}{2}"$ (J)

From the light gold floral, cut:

4 $\square$ $3\frac{1}{2}"$ $\times$ $6\frac{1}{2}"$ (K)

8 $\square$ $3\frac{1}{2}"$ $\times$ $3\frac{1}{2}"$ (L)
